

Creative Templates and Resources for Your Foster Programs **June 2026 | Foster Forward Challenge**

This document provides quick access to effective creative templates and resources, including customizable Canva templates for foster recruitment and more. Canva is a free, intuitive design tool that enables users to create graphics, flyers, and more.

Foster Recruitment Customizable Templates:

Grab your favorite photos of pets in your organization's care to use in these recruitment templates. Each template has placeholder boxes and on-screen instructions built right in. Follow those prompts as you go and delete the instruction boxes when you're done.

Sign into [your Canva account](#) before clicking the links below! These templates do not require a paid account.

- [Social media posts \(English\)](#)
- [Social media posts \(Spanish\)](#)
- [Flyer \(English and Spanish\)](#)
- [Social media banner \(English and Spanish\)](#)

As a bonus, explore our [kitten season foster recruitment templates](#).

Resources for Your Fosters:

Share these resources with your active fosters for additional support.
