For Cats found

Please describe in detail, the location where the trap was placed or where you picked up the cat. (ex: under the red mailbox, or under the right side of the blue house)

I understand that if the cat is not suitable for a home adoption, the cat will be spayed/neutered, vaccinated, ear-tipped, and returned to the location described above. The shelter will contact you so you can release the cat back to their home. You will need to bring your own hard-top carrier to transport the cat back to the location found.

Initial *

I understand that if I do not want the cat returned to this location, there is a \$60 relocation fee.
