

ORDINANCE NO. _____, SERIES 2023

AN ORDINANCE AMENDING THE LOUISVILLE METRO CODE OF ORDINANCES CHAPTER 91 PROHIBITING THE SALE OF DOGS AND CATS BY RETAIL PET STORES (AMENDMENT BY SUBSTITUTION).

**SPONSORED BY: COUNCIL MEMBERS STUART BENSON
AND ANDREW OWEN**

WHEREAS, current federal, state, and local regulations do not properly address the sale of puppy and kitten mill dogs and cats in and out of pet stores;

WHEREAS, most puppies and kittens sold in pet stores come from large-scale, commercial breeding facilities where the health and welfare of the animals are disregarded in order to maximize profits (“puppy mills” and “kitten mills,” respectively). According to The Humane Society of the United States, an estimated 10,000 puppy mills produce more than 2,400,000 puppies per year in the United States, and most pet store dogs and cats come from puppy mills and kitten mills;

WHEREAS, the documented abuses endemic to puppy and kitten mills include over-breeding; inbreeding; minimal to non-existent veterinary care; lack of adequate and nutritious food, water and shelter; lack of adequate exercise and enrichment; and lack of sanitation;

WHEREAS, pet store puppies are often sick and have behavioral problems because of the substandard conditions they were born into, including: being taken from their mothers at a very young age; being transported in trucks filled with other young puppies; and being placed in a pet store cage with or near other puppies who are often sick;

WHEREAS, pet stores often mislead consumers as to where the puppies in the stores came from and make false health and behavior guarantees. Many consumers end

up paying hundreds or thousands of dollars in veterinary bills and suffer the heartbreak of having their new pet suffer, and in some cases pass away;

WHEREAS, according to the U.S. Centers for Disease Control and Prevention, pet store puppies pose a health risk to consumers, as over one hundred Americans have contracted an antibiotic-resistant *Campylobacter* infection from contact with pet store puppies;

WHEREAS, current federal and state regulations do not adequately address the animal welfare and consumer protection problems that the pet store sale of dogs and cats from puppy and kitten mills pose, and federal oversight of the commercial breeding industry is severely lacking;

WHEREAS, prohibiting pet stores from selling and outdoor public venues dogs and cats is likely to decrease the local demand for these animals that are bred in mills, and decrease the burden that those dogs and cats that end up in animal shelters place on local agencies and taxpayers;

WHEREAS, the vast majority of pet stores, both large chains and small, family-owned shops, already do not sell dogs and cats but rather profit from selling products, offering services, and in some cases, collaborating with local animal shelters and rescues to host adoption events;

WHEREAS, this Ordinance will not affect a consumer's ability to obtain a dog or cat of his or her choice from an animal rescue, shelter, or breeder who sells directly to the public; and

WHEREAS, the Louisville Metro Council believes it is in the best interest of the community to adopt reasonable regulations to reduce costs to the community and its

residents, protect citizens who may purchase dogs or cats from a pet store, help prevent inhumane breeding conditions, promote community awareness of animal welfare, and foster a more humane environment in Louisville Metro.

NOW, THEREFORE, BE IT ORDAINED BY THE LEGISLATIVE COUNCIL OF THE LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT AS FOLLOWS:
