

Help cats in your community.

Shopping List

- bread
- apples
- cereal
- cat supplies**

Please consider picking up some supplies to help community cats in your area.

Here are some needed supplies:

Nearly three-fourths of the cats entering U.S. shelters each year are killed. Many of them are community cats (aka stray or feral cats). With help from community cat caregivers and trap-neuter-return (TNR) groups, these free-roaming cats are able to stay out of the shelter system and live happy, healthy lives.
