

**AN ORDINANCE OF THE CITY OF RADCLIFF, KENTUCKY
RELATING TO THE SALE OF DOGS AND CATS**

Whereas, a significant number of dogs and cats sold at retail pet shops throughout the country come from large-scale, commercial breeding facilities where the health and welfare of the animals are not adequately provided for (“puppy mills” and “kitten mills”); and,

Whereas, there are no known sale of such dogs and cats in any retail pet shop in the City of Radcliff; and,

Whereas, restricting the retail sale of dogs and cats of any age to only those that are sourced from shelters or rescue organizations is likely to decrease the demand for dogs and kittens bred in puppy and kitten mills, it is likely to increase demand for animals from animal shelters and rescue organizations; and,

Whereas, in the City of Radcliff currently all independent retail pet shops as well as large chains operate profitably with the business model focused on the sale of pet services and supplies and not on the sale of dogs and cats, and many of these shops collaborate with local animal shelters and rescue organizations to offer space and support for showcasing adoptable homeless pets on their premises; and,

Whereas, this ordinance will not affect a consumer’s ability to obtain a dog or cat directly from a breed-specific rescue organization or a shelter, or from a breeder where a consumer can see directly the conditions in which the dogs or cats are bred, or can confer directly with a breeder concerning those conditions; and,

Whereas, as provided in KRS 258.365 and 82.082 the Radcliff City Council has determined that it is in the best interests of the City to adopt reasonable regulations to protect the citizens who may purchase cats or dogs from a retail pet shop or other commercial establishment, to prevent inhumane breeding conditions, and to promote community awareness of animal welfare.
